ONE NATION ★ ONE MOMENT

Memorial Day, 3PM

Pause to Remember America's Fallen
Wherever You Are

Please join us to remember and honor America's fallen heroes as we participate in the *National Moment of Remembrance* this Memorial Day.

What is the National Moment of Remembrance?

It is an opportunity to put "memorial" back in Memorial Day—to reclaim this day for the purpose in which it was intended—to honor those who died in service to our nation.

When is the National Moment of Remembrance?

Memorial Day, 3:00 p.m. local time

How Can We Participate?

Pause wherever you are, and take a *Moment* in your own way, to remember the sacrifice of those who have died serving our country.

Encourage others to participate.

If you know someone who lost a loved one in service to our country, let them know of your gratitude.

For more information and materials you can display in your home, workplace or attach in an email to friends, please visit www.remember.gov.

Why should I remember?

To demonstrate gratitude for those who died defending the freedoms we enjoy.
